

Pt1000TR050S/M, 50mm, 5pin, MiniDIN

Part: SN249M

Pt1000 sensor.

50mm length, 5pin, MiniDIN.

Operating temperature: -50°C to +350°C,
Storage temperature: -25°C to +250°C.

Operating temperature: +450°C.

IP67 protection. MiniDIN connector.

High precision, stable, long life. Suitable for industrial applications.
